Online Learning

We understand that people lead busy lives, often juggling full-time jobs and families, so leaving them to study abroad for long periods of time is not practical. We also appreciate that there is still a need for them to improve their English with experienced, fully qualified teachers at a British Council accredited school.

Our Online Learning programmes have been developed to allow people to do exactly that. Students can choose to study as little or as much as they want at a time and place convenient to them. They can choose a purely on-line course, or a blended course combining on-line with attendance at a traditional course at LILA*.

- Fully qualified teachers
- Flexible times of day or night
- Study as little or as much as you want
- Screen sharing allows student and teacher to see the same work
- Covers all aspects of English language learning including grammar, vocabulary, listening, reading, writing and speaking
- Opportunity for student to focus on their own areas of interest or need
- The same LILA* team are here to offer support and advice
- Combine with a traditional immersion course at LILA*
