We have been through a difficult time

2020 was a difficult year for all of us. The effects of Covid 19 on humanity generally has been devastating. I hope we will learn from this life changing experience and work together more closely in the future striving to rebuild our lives more in tune with nature and realise we are all connected.

inlingua Cheltenham like many schools in the UK and around the world had a poor year for business, some of us established our online courses and created some business from these but generally it was not a good year.

We now look forward to 2021 with increased optimism and hope that we will have a normal year when the school will be full again with students.

We have introduced at the school procedures relating to Covid 19 to improve the safety of our students, so please make yourself familiar with these on our website. We reopened on Monday 3rd August 2020 and we look forward to a brighter future.

We are very proud of our school and we hope that by using our brochures and website you will find a course to suit you. Come and join us at inlingua Cheltenham, the home of fine teaching and excellent service. With us you will have an experience to remember for the rest of your life.

This course is for students from the ages of 11-17. Students aged 11-16 will join the school year appropriate to their age and will study up to 12 subjects a week. This will be taught in English and the student will be in a class with predominately British students. Students aged 16-17 will join A level classes where they will study 3 or 4 subjects in depth.

Please note that State Schools in the Cheltenham area are predominately British schools and therefore make no provision for international students and will not have EFL support classes. We recommend that if you are not up to intermediate level of English (B1) then a short period of EFL classes with inlingua Cheltenham would be advisable.

State schools in the UK run a three term year that starts in September, January and April and students can join in for one, two or all three school terms.

We will arrange accommodation and help with any issues that arise during the student's time here and try to match the student with a child in the family that attends the same school to ensure full integration. We can also arrange a guardian, if needed, for an extra cost.

Teacher Training

“After being placed in the right class for your level, your teacher will monitor your progress and tell you when you are ready to move up”

Certificate in TESOL

We are accredited by Trinity College London to provide this excellent internationally recognised qualification and for this reason it is our most popular teacher training course. TESOL stands for 'Teaching English to Speakers of Other Languages'. It is aimed at those with little or no teaching experience and will equip those candidates with the basic skills and knowledge needed to teach English as a second language. The course is QCF Level 5, comparable in difficulty to the second year of an undergraduate degree.

We have a great success rate on our programme: an amazing 97% of participants who have completed the course have passed and obtained this valuable professional qualification on our last 15 courses!

No teaching experience is required - this course is open to anyone with the qualifications for entry to higher education, such as A-levels. Typical participants include:

- College graduates
- Professional people looking for a career change

- Teachers of other subjects
- People who see TEFL as a means of living and working abroad
- Gap-year students
- People looking to host and teach students in their homes
- Non-native English speakers and international applicants are also welcome

Non-Native Trainees

If English is not your first language, you should have a level of proficiency in English equivalent to CPE, CAE or an IELTS score of 7.0, TOEFL 600.

We cannot stress enough how intensive this course is. Throughout the four weeks there are assignments which will need to be completed outside of the classroom so it is important that you are certain that you can combine home and work commitments at the same time.

Teacher Training (Erasmus+)

CLIL (Content Language and Integrated Learning)

Compliant with Erasmus+ Funding Criteria

What is CLIL?

CLIL aims to introduce students to new ideas and concepts in traditional curriculum subjects using the foreign language as the medium of communication - in other words, to enhance your pupils' learning experience by exploiting the synergies between the two subjects. This is often particularly rewarding where there is a direct overlap between the foreign language and the content subject.

What are the practical implications of introducing CLIL into the school curriculum?

Teachers need to design materials to suit the needs of their learners, and to enable them to develop until they are working at high levels of cognitive and linguistic challenge.

Our CLIL course will allow teachers to build upon their existing language and learn new ideas and concepts to help teach their academic subject. The course is designed to give teachers an insight into how young people learn languages and how they could teach them. A significant component is giving the teacher the tools to continue to build upon their knowledge and learning after the course in order to continue to gain maximum benefit. The course is designed for non-native English speaking qualified teachers who are required to teach their academic subject in English.

Please Note: Work Shadowing in local Primary and Secondary schools can be arranged, ask for details.

Teacher Refresher Courses (Erasmus+)

What is TEFL Refresher?

Every now and then, even successful, experienced English language teachers can benefit from a refresher. An advanced English teaching course is the perfect chance to explore the latest methodologies and get back in touch with the language you teach

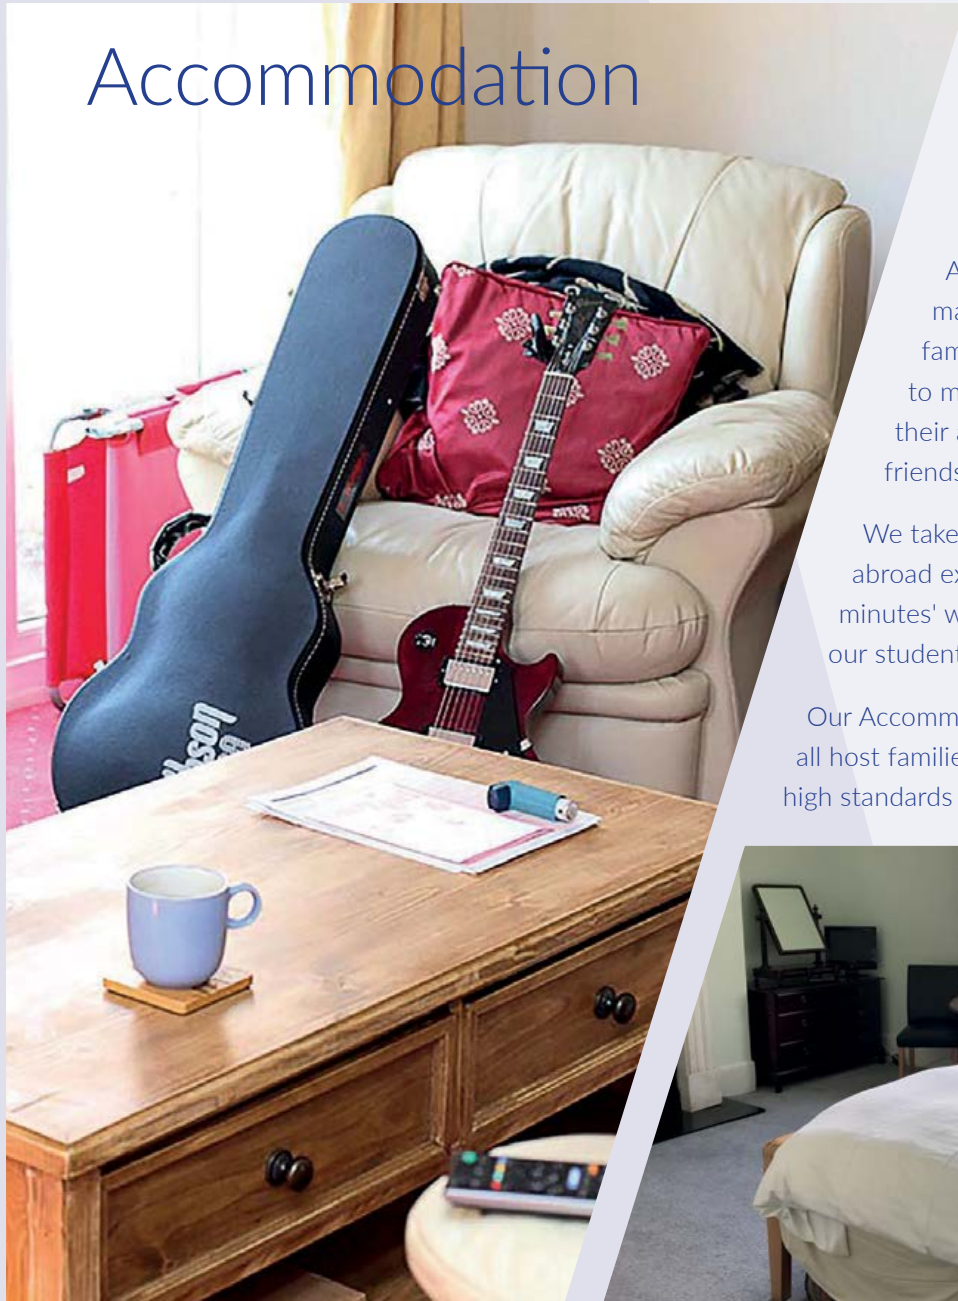

This course will help you refresh your skills and renew confidence in your ELT classroom skills. The course is designed for teachers of English from all over the world who want to develop their language training techniques. There is an element of General English development included in the course as well as development of methodology, classroom techniques and up to date resources to use in your classroom.

Accommodation

Host Family Accommodation

Students often say that their living situation is almost as important as their course. Living with a local family gives the student a chance to practice their social English in the evenings as well as share cultures with their hosts.

A large number of our host families have welcomed students into their homes for many years and are very experienced and sensitive when a new student joins their family. Students do not often know what to expect and at inlingua Cheltenham we like to make sure that they are as informed as they can be about their new family before their arrival and put student and family in touch. Many students and host families become friends and stay in touch long after the student has finished their course.

We take pride in our host families and appreciate how integral they are to the student's study abroad experience. Our host families are predominantly native English speakers, within 30 minutes' walk or bus ride of the school and regularly in contact and visited so we can provide our students with the highest standards possible of accommodation.

Our Accommodation is organised in-house by our Accommodation and Reception Manager and all host families offered by inlingua Cheltenham are checked on a regular basis and conform to the high standards expected by the British Council.

Course Fees

All course tuition fees include books and materials. If there are any changes to the UK VAT laws, inlingua Cheltenham books and reserves the right to pass on those changes to the client.

Deposit and Payment

A non-returnable Registration Fee of £60 along with the Accommodation Arrangement Fee of £40.

Visa Students only

A further deposit of 15% of the total invoice value (in all cases a minimum of £100) should be paid on receiving course confirmation and the invoice.

Payment of the 15% will then be credited to your account and a new invoice will be produced for visa purposes. Only after receiving

the deposit are we able to issue a Confirmation of Enrolment and your unique visa reference number.

The rest of the course fee is payable in full no later than three weeks before the course commences. If a course is booked less than three weeks before the commencement dates, full payment should be made on receipt of the course confirmation and invoice, otherwise this will be subject to an interest charge of 8% per month or part thereof up to the first day of the course and until payment is received.

We reserve the right to cancel or terminate any course that has not been paid and students will not be allowed to start their courses until payment has been received.

Please ensure that when you pay the fees you also pay the bank charges for the transfer so that the school receives the full amount. Shortfalls in payment will be requested and interest charged if need be.

Ensure when making your payment that you indicate who the payment is for so as to avoid embarrassing situations when we chase for payments. If a student wishes to pay their accommodation fees in instalments an admin fee of £25 per instalment paid will apply. Tuition fees should be paid in full before the course starts.

How to Pay Confirmation

We reserve the right not to accept a student and/or to terminate without notice a course that has already begun if payment is not made in full in accordance with our payment terms.

Cancellation

A cancellation charge will apply according to the following scale:

- up to 21 days before the course begins: lose deposit plus non-refundable fees
- 21 days to 15 days 33% of the total invoice
- 14 days to 8 days 66% of the total invoice
- 7 days to 3 days 75% of the total invoice
- 2 days or less 100% of the total invoice
- no refunds will be made after the course has started

If a course is cancelled due to an unsuccessful visa application, all fees paid to us (minus our bank charges, Registration, Visa Application, Accommodation Arrangement and Courier fees) will be refunded in full, on receipt of written confirmation from the Visa Section of the British Embassy that your visa application has been unsuccessful.

Group Courses

General English

If there are fewer than three students on a Language Skills Programme 20 or 30 course, the number of lessons per day may be reduced according to the following scale:

LSP30

2 students – from 6 to 3 lessons

1 student – from 6 to 2 lessons

LSP20

2 students – from 4 to 2 lessons

1 student – from 4 to 1 lesson

We reserve the right to offer LSP/20 lessons in the afternoon should we, at our sole discretion; feel that this is in the students' or schools' best interests.

Bank Holidays

Please also note that there are no group course lessons on Bank Holiday Mondays - EXCEPT in the Business Centre where classes run as normal. Please refer to Public Holidays dates on page 58 of this brochure. Students on short courses (1, 2 or 3 weeks) will have extra lessons to compensate for loss of lessons on Bank Holiday Mondays if it occurs.

Extending Your Course

If you are a student with or without a visa you can extend your stay if you wish, and your visa allows. We will add the number of weeks of your original booking to your extension and this may mean you will pay a lower price per week for your extension depending which price bracket you fall in to. Please refer to the price list for details.

Taking Holidays

If you have booked a long duration course of 12 weeks or more and wish to take a holiday during your course, this is possible AS LONG AS you request the number of weeks you wish to take for holidays at point of booking and when at the school you give us four weeks' notice in writing before taking the holiday. We normally allow students to take a maximum of 1 week's holiday for every 12 weeks that they are in the school.

Holidays arranged after the time of booking or exceed those pre-booked will be treated as absences and you will lose those weeks of tuition.

Alternatively you can ask for the free weeks as holiday. Please note no refund or extension will be granted in this situation. If you wish to retain your accommodation you must pay a retainer of £50 per week to the host family while you are away. If students shorten their course there is no refund of fees

Long-Term Bookings

Students cannot reduce the length of their course by changing programmes. Under Home office visa regulations we are responsible and duty bound to look after you for the whole duration of your course.

All examination classes are in the afternoon. Students who want exam classes must book the LSP 30 course. It is not possible to book LSP 20 and then change the timetable to 10 lessons in the morning and 10 lessons in the afternoon.

Any students in breach of their visa will be reported to immigration.

Accommodation Fees

inlingua Cheltenham makes a charge of £40 for arranging accommodation. This charge is also applied if you change host families unless it is deemed the family is unsuitable for you. Please note to change a family is possible but you must have a good reason to do so. The fee that you pay to us for host family accommodation irrespective of the Accommodation Arrangement Fee is what we pay to the host family.

We do, however, have a contract with the host family which stipulates that we must give them four weeks' notice if a student is going to change or leave the family. In exceptional circumstances (for example, the family does not provide what they have promised etc.) we may decide not to give the family 4 weeks' notice.

Examination Fees (for Cambridge examinations, IELTS etc.) are not included in the course price and will be charged separately.

If there are fewer than 5 people enrolled on an LSP30 programme specifically wanting to follow a published IELTS or Cambridge examination preparation Skills Session, we reserve the right to cancel the Skills Session and offer alternative Skills Sessions instead. In these rare situations, we will also offer an extra programme of supervised self-study, in order to help the students prepare for the exams.

Activities and Excursions

General English

Activities and excursions are normally offered as optional extras. These activities are organised for students and offered either free of charge or at cost price (when a cost is incurred by inlingua). Students who prepay activities on the summer programme will normally be guaranteed a place on the activities and excursions they have paid for, however they must still sign up for all activities and excursions, so that appropriate staffing and transport can be ordered.

Medical and Travel Insurance

inlingua Cheltenham includes Medical and Travel Insurance as part of your tuition fee. This policy is through Gibbs Denley StudentGuard insurance covers you throughout your stay. Please ask for a copy of the insurance cover when you apply for your course or look at it on our website www.inlingua-cheltenham.co.uk.

Students aged 18 and under will need to provide a signed Parental Consent Form for immigration and the school.

Declaration by the client (or Guardian if under 18) When you enrol on a course at inlingua Cheltenham, whether you complete an inlingua Cheltenham enrolment form, enrol via an agent or by any other means, your act of enrolment means that you are fully in accordance with our terms and conditions and agree to abide by them.
