“The activities were really cool! I have learned many things about the sports and made many new friends. The teachers helped me to reach my full potential and told me what things I can improve on - Cristoph (2022)”

INTRODUCTION TO THE COURSE

I am really excited for another great year, where we will give students the opportunity to truly discover their brilliance. The team and I cannot wait to welcome both new and returning students onto our beautiful campus, so that they can experience all that the Millfield English Language Holiday Course has to offer.

The team have been working hard to continue developing our programme so every student can enjoy their experience to the maximum. The Director of Studies, Kate Smook, has further updated the English programme with new and innovative possibilities. There is an option for all; whether you are a fluent English speaker or barely proficient.

The holistic approach now taken in our afternoon activities enables our students to be truly curious about the disciplines that they are passionate about. Our social programme headed up by mascots Millie and Mylo provides diverse and modern quintessential English experiences. With all elements of our programme following Millfield's ethos that we fit the school around the individual, we don't try to fit the individual to the school.

As always we will be providing a safe environment for all of our students, keeping their well-being at the heart of what we do, whilst also keeping the magic that we are renowned for.

HISTORY

"I wanted to create a school where talent - in whatever field - could be nurtured through the best facilities, teaching, coaching & opportunities for young people to exercise & explore their abilities." - Jack 'Boss' Meyer

Millfield was founded by Jack Meyer in 1935, following his return from India with six princes. Millfield House was used as the original Millfield School and is now one of the school's boarding houses, standing as a landmark in memory of the visionary Jack Meyer.

Today Millfield is one of the leading UK independent schools for boys and girls, aged 2-18 years and spans from Pre-Prep and Prep, to Senior and Sixth Form. Although it is best-known for its sport, Millfield is prestigious for academic learning and the multiple fields in the creative arts.

During the holiday periods alongside the Millfield English Language Holiday Course, which started in 2001, Millfield Enterprises also offer a range of Activity & Sports Courses and host events and camps at both a national and international level.

MORNINGS

Millfield's main aim is to provide students with an engaging learning experience suitable to their ability. There are three options (as seen below) to choose from, each consisting of 15 hours of teaching per week.

All teaching materials are provided and are included in the cost of the course. On successful completion of the course, all students will receive a course certificate and a report which will include their own reflection as well as feedback from their teacher, houseparent and activity leader.

GENERAL ENGLISH

Available in weeks 1-6 for ages 12-17

This option is suitable for all ages and levels of learners who want to improve their communication skills. Students complete an online placement test before arrival and are placed in multinational classes with students of a similar age and English level.

Classes will be based around Trinity GESE topics and there will be a focus on developing functional language skills. Teachers involve students when planning their lessons to make them interesting and relevant. All students will be given the opportunity to take a Trinity College London speaking exam (GESE), and this will give them an internationally recognised qualification. The exam is one to one with an examiner and is available at 12 different levels. The exam will be offered on: Thursday 20th July, Thursday 3rd August and Thursday 17th August.

For more information about the exams see: www.trinitycollege.com/qualifications/english-language/GESE

ACADEMIC ENGLISH

Available in weeks 1-6 for students aged 12-17 with a minimum level of English of CEFR B1 or above.

A course designed to develop students' English through academic study in an English speaking education setting. Students will develop their English language skills through subject based lessons in line with the KS3/KS4 curriculum such as Maths, English, Geography, History and the Sciences, including some being taught by Millfield specialist subject teachers.

Students will also improve their academic study skills in key areas such as critical thinking, note-taking, time management, presentation skills, essay writing and reading skills.

Please note, not all subjects will be covered in the programme every week. Students will need to complete an online placement test prior to arrival. We reserve the right to move students to General English if we believe their English level is not B1 or above.

Science Lesson in Academic English

Academic English

General English

"I had the best English classes ever. My teachers were always so positive and caring and I improved my speaking and writing skills. We did a lot of group work and had the chance to get to know each other better." - Aylin (2022)

GLOBAL STUDIES

Available in weeks 1-6 for students with a minimum level of English of CEFR B2 or above or who are proficient in English. For ages 14-17 only.

This option has been designed for students who want to learn about themselves and their place in the world through exploring some of the current major issues facing the world. As well as debating and discussing topics students will assist with community projects so they can apply what they learn in the classroom to real life situations.

Please note that there is one topic per week and the focus will change daily. Students will need to submit a written task prior to arrival. We reserve the right to move students to General English or Academic English if we believe their English level is not B2 or above.

'Even though we worked, it didn't feel like it at all. But I do realise I've become more aware of my surroundings and of the consequences my actions could have on people living on the other side of the planet. And I see it even in my smallest actions. I have learnt not only that fear isn't a flaw, but also that I can make it my strength and use to do the things I don't want.' - Charlotte (2022)

AFTERNOONS

ACTIVITIES

We offer a wide range of enjoyable activities for students to take part in for four afternoons a week. Students can choose one option per week from the activities list (8 hours per week).

CLUBS

Following the afternoon programme, there are a variety of clubs on offer for students to enjoy (4 hours per week). This is an opportunity to try something new and bond with like-minded people.

Example Clubs include: Chess, Badminton, Football, Tennis, Netball, Frisbee, Dance, Yoga, Drama, Music, Pilates & Choral Singing

SOCIAL PROGRAMME

A full social programme is provided and is included in the course fees. This ensures that every student is kept busy and has maximum opportunity to practise English whilst making friends with students from around the world, in a fun and enjoyable environment, making every moment special.

EXCURSIONS

Students enjoy one full-day and one half-day excursion every week. A careful balance of active, historical, fun, experiential and educational excursions are provided. Students are accompanied by Millfield staff who provide help and guidance and ensure students are using spoken English. Teachers incorporate excursion experiences into lessons, enabling students to take their education beyond the classroom.

Examples of full-day excursions:

Theme Parks & Attractions - Thorpe Park and Longleat
City Tours - Oxford and Bath
Seaside Trips - Bournemouth and Portsmouth
Castles - Windsor and Cardiff

Examples of half-day excursions:

Wells, Cheddar, SS Great Britain, Sherborne Castle, Lyme Regis

FOOD, ACCOMMODATION, HEALTH & WELFARE

FOOD

We provide a variety of great food choices for students to try with a combination of international dishes and great British classics such as Brunch, Fish and Chip Friday, and traditional Sunday Roast.

Each meal time there is a choice of different healthy food options. Special dietary requirements are also catered for, including religious persuasions and lifestyle preferences. Students can eat as much as they like and are encouraged to try different foods to promote a healthy and balanced diet.

Most meals are served in the dining hall on campus where staff and students will eat together. At breakfast we offer a choice of cooked food, cereals, toast and fruit. At lunch and dinner we offer both hot food and salads. Vegetarian and vegan options are available at all meals. Packed lunches are provided on excursions and occasionally dinner will be a special outdoor event, offering things like an asado pit or barbecues.

Refreshments are provided in the morning 'Happening' and in the afternoon break consisting of whole fruits and a daily traditional English snack. Drinks and basic snacks are provided in the boarding houses for the evenings.

We're proud of what we do and continually strive to improve, which is why we are members of a number of professional bodies relevant to our industry, ensuring we keep up to date with market trends and current legislation. Alongside continuous staff development, we invite organisations such as the British Council to inspect our courses in order to gain accreditation so our customers know we are providing the best service we can.

GROUP LEADER PROGRAMME

We offer free group leader places for groups of 10+ students arriving and departing together. Millfield treats Group Leaders as valued visitors to the school during the period of their student's stay, enabling them to support, manage and provide an additional cultural reference point to their group of students.

Group Leaders who are escorting a group of students during their time on the course will be provided with food (breakfast, lunch, dinner in our dining hall), accommodation in one of our dedicated Group Leader / Coordinator boarding houses, admission to all attractions on preplanned excursions, admission to our Agent & Group Leader events and evening student events along with other organised Group Leader activities. Activities will provide Group Leaders with a broader understanding of all Millfield has to offer, including talks from our Grounds and Gardens team, Kitchen tours and Teacher interaction events.

The School requires that ALL VISITORS (without exception) entering the school site during the school day or for after school activities must be accompanied. Group leaders will be able to interact with their students during meal times, evening activities, excursions and on request.
