# INTRODUCTION TO THE COURSES

*from the Director of Holiday Courses and Events*

When I was writing the introduction to the brochure last year on our twentieth anniversary I, like everybody else, had no idea what 2020 was about to bring. What a devastating year it has been, a year that none of us will ever forget. However, life must go on and we are already planning to come back better and stronger than ever in summer 2021.

We know that the service we provide is valuable to so many people and it was sorely missed last year. However, I am encouraged by the fact that as I look out of my office window, I see students and staff moving around in a completely full boarding school. I hope that by next summer we will be full again too.

Last year I wrote about our purpose, vision and passion. Looking back, I can feel all that pride once again with a hint of nostalgia for the many good times we have shared together. Precious memories and experiences that helped shape our values and maybe even helped to make the world a slightly better place.

Myself and my fantastic full-time team have used the unexpected extra time wisely. We are pleased to launch three new online offers. A pre arrival and post course option and a course to better prepare you for Cambridge Assessment English exams. Of course, it is hard to know exactly what to prepare for in such uncertain times but we have kept the core of our summer offer and added one or two new things as always.

We very much hope you will be able to join us again or indeed for the first time in summer 2021. Because of the unique circumstances we promise to try to do everything we can to make it even better than before. As you probably know safety has always been at the forefront of what we do and last year we were delighted to be ranked by the EL Gazette as the number one boarding school language provider for safeguarding. You can rest assured that whatever the situation is with the virus next summer, we will provide the safest possible environment for all students whilst keeping the 'magic' in the overall experience which we are rightly famous for. In the meantime, until we meet again, stay safe everybody.

# PRE & POST COURSES

## *Pre Course (Ages 6-17)*

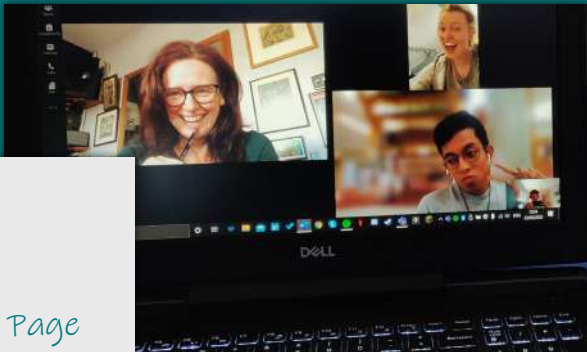

Students can experience the Millfield English Language Holiday Courses for themselves before they set foot on campus. There will be ten topic areas followed by a question and answer session with staff giving students and parents the opportunity to ask questions and receive feedback on a variety of topics including: course overview, what to pack, airport arrivals and departures, pastoral care, accommodation, dining hall, lessons, Course and Vocabulary Organiser, afternoon options, clubs & evening activities, and excursions.

## *Pre Course – Cambridge Assessment English (Ages 12-17)*

Students can prepare for the Cambridge Assessment English exam at home by joining our Pre Course. They will have access to materials and one face-to-face lesson each week. Students choosing this option must attend summer at Street and choose the Cambridge Assessment English option.

## *Post Course (Ages 10-17)*

Students will have access to a database of self-study resources, a tutor for set tutorial sessions and the opportunity to join virtual social events and house reunions with their friends each month keeping their Millfield Memories alive.

# MORNINGS

Millfield's main aim is to provide students with an engaging learning experience suitable to their ability. In the mornings there are three options to choose from, each consisting of 15 hours per week.

Students can choose one of the following English options: General English, Cambridge Assessment English or Global Young Leaders.

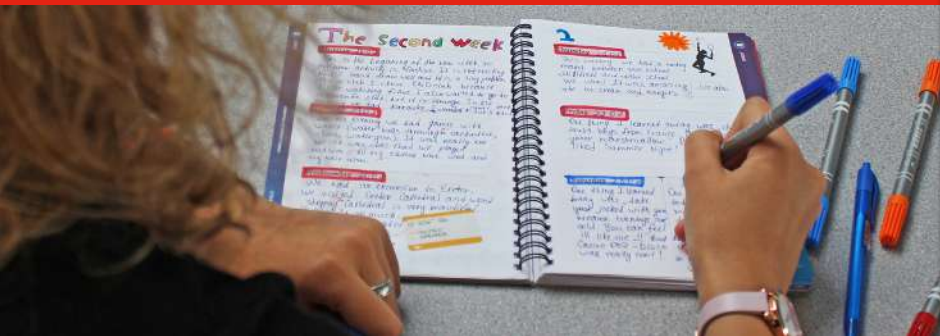

For all morning options, all teaching materials are provided and are

included in the cost of the course. On successful completion of the course, all students will receive a report and course certificate.

The morning options take place on Mondays, Tuesdays, Thursdays, Fridays and Saturdays and students can further their English by choosing the Extra English afternoon option.

## General English

This option is suitable for all abilities with students participating in English classes with trained teachers. Students will take a placement test on arrival and from this will be placed in multinational classes with those of a similar age and English level. Teachers involve students when planning their lesson in order to meet their interests and language needs. Each week there is a choice of 3 broad topics enabling teachers to plan an interesting and engaging lesson programme. All lessons include communicative activities and functional language which can be used in real-life situations.

## Cambridge Assessment English\*

*Available in weeks 1-3 for B1 and B2, and weeks 2-4 for C1*

An exam preparation course for students who wish to improve their current level through the internationally recognised Cambridge Assessment English examinations. Students choosing this option will benefit from a 12-week pre-arrival self-access online course with weekly tutor support. At Millfield, lessons will focus on exam technique with full mock tests with lessons tailored to their personal needs. For further information on exams, please refer to the Cambridge Assessment English website.

The exams that students will be able to sit at the end of their course are Cambridge B1 Preliminary for Schools, Cambridge B2 First for Schools and Cambridge C1 Advanced. All exams for B1 and B2 along with speaking for C1 take place during week 3. C1 written exams are held during week 4.

Photographic ID is required at the time of registration in the form of a scanned ID document, and all students must ensure they have photographic ID on them when they sit the exam. Please note that the ID used at registration must be identical to the ID used during the exam.

**\*This option will incur a supplementary charge of 350 GBP which includes the cost of the exam and the pre-arrival course.**

## Global Young Leaders

*Available in weeks 1-6 for students with a minimum level of English of CEFR B2 and above. For ages 14-17 only.*

This option has been designed as an alternative to General English and is suitable for students with a minimum level of English of CEFR B2 and above or are native speakers. Effective communication is fundamental to the programme with a belief that it is not enough to be able to speak excellent English; one also has to have something valuable to say.

The course encourages students to learn about themselves and about their place in the world. It will challenge some perceptions and make students think about life in the 21st century. The course aims to look at what being a leader really means and will examine this through weekly topics looking at some of the most important issues the world currently faces, helping students to be a leader of the future.

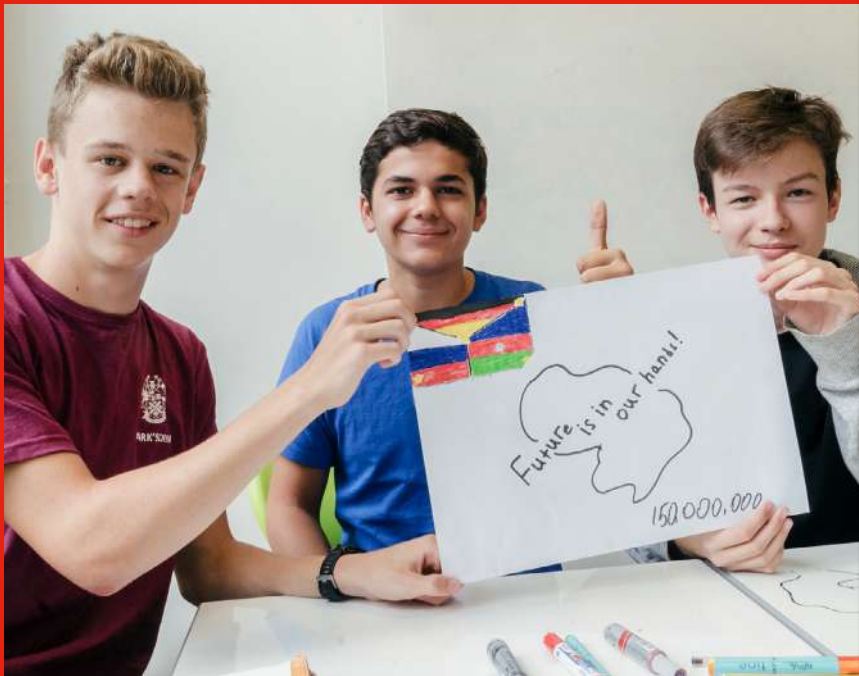

The course is structured to allow students to participate for one week or up to 6 weeks and to examine and develop their own ideas. They have the chance to discuss, explore and challenge sometimes unfamiliar viewpoints

and are encouraged to examine and review ideas when negotiating with people from other backgrounds who may hold conflicting views.

The students are involved in the choice and design of the topics discussed; a different focus is taken each week reflecting issues that students commonly mention as challenges which affect their own lives. On previous courses these topics have included the environment, equality, poverty, press and media, war and technology.

Guest speakers are invited to offer personal insights into the issues being examined. Students will also take their studies beyond the classroom with visits to places within the local community.

*Please note that there is one topic per week and the focus will change daily. Students will need to submit a written task prior to arrival. We reserve the right to move students to General English if we believe their English level is not B2 or above.*

# OPTIONAL EXTRAS

On our summer courses we offer **Optional Extras** for students at both our Street and Glastonbury campuses.

## Trinity Exams **100 GBP charge**

*The exam takes place at Street campus and is available in week 3 or week 6 for students at Street campus and in week 3 for students at Glastonbury campus.*

Students will have the opportunity to gain a qualification which demonstrates their level of spoken English. This qualification is recognised and accepted by many universities all over the world.

The exams are one-to-one with a Trinity examiner and are designed to build on what students learn within the General English programme. Exam preparation focuses on the development of communicative skills and building confidence. Preparation sessions are held during club time and on Sunday mornings under the direction of an experienced Senior Teacher.

GESE exams are available at 12 levels from Grade 1 to Grade 12 (pre-A1 to C2 CEFR proficiency levels). Experienced teachers help students identify which grade they want to work towards based on their placement test score, age and confidence in speaking English.

## Airport/Eurostar Transfers **200 GBP charge**

The transfers are from/to select airports and stations, for arrival and departure travel on the arranged Sundays only:

Arrivals - 11 July, 25 July, 1 August, 8 August

Departures - 25 July, 1 August, 8 August, 22 August

## DHL Courier Service **60 GBP charge**

Confirmation documents can be sent by DHL (international courier).
