

OUR STUDENTS

JOACHIM / GERMANY

"After two years learning in a bigger Mandarin school I decided to choose Silk Mandarin for my lessons and I was very surprised regarding the learning success. After only some lessons, the improvement of my spoken Chinese was enormous. They have only experienced full-time teachers which use advanced teaching methods and the books are up to date and not so old-fashioned like at my old school."

SIMONE / ITALY

"The teachers are not only very professional but also able to mix fun and learning at the same time. They follow their own scheme and structure for each class, and there is always a positive outcome. I have improved my Chinese level with a very fast pace and I can definitely say that in one month in Silk Mandarin I have learned more than I would ever expect before. Thank you 老师!!"

ANTONELLA / ITALY

"At Silk Mandarin I found the right teacher. The teachers are qualified, motivated and always in a good mood. The atmosphere in the class is really refreshing, that's why I really like to take lessons there. Thanks to Silk Mandarin I now can engage in a real conversation with my Chinese friends, that's such a great feeling!"

ALEXANDER / DENMARK

"The learning environment, the great atmosphere and 'family-feel' of the school are why I love to go to class each time – even after a long day in the office."
