What makes That's Mandarin special?

TEACHERS

Our teachers are highly experienced in teaching Mandarin and they have undergone our extensive teacher training program. In addition, most of them are full-time employees who graduated from top universities in China.

CURRICULUM

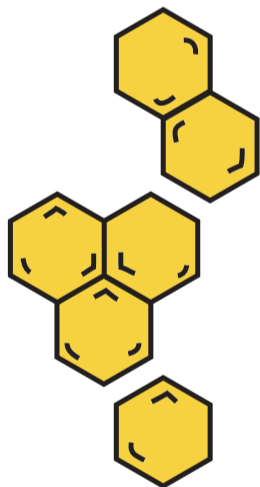

Lesson content and structure can be tailor-made based on students' goals, needs and learning styles. Students will utilize our innovative learning platform, Mandarin Café, to create their learning path and track their progress.

ENVIRONMENT

Our schools, located in the city centers, are equipped with advanced, high quality technology to accelerate learning. We also promote a fully immersive Chinese environment at our schools to help students practice and gain more confidence speaking Chinese with the locals.

24/7 SUPPORT

We care about our students and provide 24-hour support to our students before, during and after the duration of their courses. Our teachers and staff are always there to help you or to answer your questions. This means you're always in good hands.

Mandarin Café: Learning Platform

Learn Mandarin the easy way with Mandarin Café. It's a multi-functional Chinese language learning platform and app designed to improve memory retention and understanding of new vocabulary and grammar structures.

Mandarin Café provides students with rich multimedia content and activities such as listening, reading, writing, speech recognition and vocabulary analysis, with the use of culture-relevant contexts.

You can self-study or take Chinese classes with our experienced teachers and preview/review your lessons on Mandarin Café. To experience our learning platform and for more details, please go to: www.mandarincafe.com

Our Experience

STUDENTS

Over 3000 students join That's Mandarin every year for their Chinese language study. Most students are referred to us by their friends and families who have previously studied at That's Mandarin.

ESTABLISHMENT

That's Mandarin was founded in 2005 and has since become a trusted and reputable brand for high quality Chinese learning.

ONLINE SCHOOL

We provide high quality online lessons to students from all over the world using our learning platform Mandarin Café.

CHINESE CAMP

Our first Chinese Camp was held in 2008 and has grown into a popular camp for kids and teens, with over 300 students joining us every year.

SCHOOL TRIPS

We're highly experienced in organizing Chinese school trips for overseas students through partnerships with numerous schools and educators over the years.

Community

SOCIAL MEDIA

We're active on social media and share some of the most useful and interesting content. We hope to build a strong Chinese learning community that provides support to our former, present and future students no matter where they are.

CULTURAL ACTIVITIES

We organize weekly cultural activities at our schools in Beijing and Shanghai to introduce and strengthen students' understanding of the Chinese culture and language. Students can also meet their fellow students from all over the world.

TRIPS

Every month, we organize a special trip for students to neighbouring cities to explore the best of China and practice their Mandarin in a real life setting.

Courses

Programs for Adults

INTENSIVE PROGRAM

This program is suitable for those who want to fast-track their Chinese learning. You can achieve more in a shorter period of time, whether in a private 1-on-1 program or a group intensive program (with no more than 6 students per class).

PART-TIME PROGRAM

This program is suitable for those who have limited time for classes but still want to improve their Mandarin. You can choose from a 1-on-1 part-time program or a group part-time program (with no more than 6 students per class).

TAILOR-MADE PROGRAM

With our tailor-made program, you can create your own private or group classes (any number of students) and customize any of our programs or curriculum to suit your requirements and goals.

Programs for Kids and Teens

CHINESE CAMP

Our Chinese camp for kids and teens (7-17 years old) run from June to August (Summer Camp) and November to January (Winter Camp). A variety of camp programs are available to choose from. We can also tailor-make a Chinese camp program for your kids/students any time of the year.

TEEN IMMERSION PROGRAM

Teens 12-17 years old will benefit from this intensive Chinese course. Lessons can be customized to their school curriculum and/or according to their interests or learning goals.

Services

ACCOMMODATION

As part of our services, we can help students to look for a suitable accommodation in China. You can choose a homestay, a shared apartment or a private apartment.

STUDENT VISA

We can help you get a student X2 visa to stay in China and experience the Chinese culture while improving your Chinese language skills.

Our Partners

Since our establishment in 2005, we have worked with various international organizations and companies to educate more people about the Chinese culture and language. Today we continue to grow our network and find more meaningful projects to involve in.
