LAS SUMMER IN SWITZERLAND

las.ch/summer summer@las.ch

LAS Summer lets students create a program tailored to their interests. Students select a morning program, clubs, and afternoon activities, then all students participate in our evening socials. Regular excursions allow students to explore Switzerland while realizing the LAS mission of "developing innovative, compassionate, and responsible citizens of the world."

TWO PROGRAMS: LAS SUMMER & SUMMER EDGE

LAS SUMMER

Build the perfect summer experience with our customizable LAS Summer Program! First, you will choose from three morning programs: the Language Track (French or English), the Academic Track, or the Sports Track (our Tennis Program or our Mountain Leadership Development Program). Then you'll choose your afternoon club, followed by an afternoon activity!

LAS SUMMER EDGE

Our LAS Summer Edge program is an exclusive program for students who want to build their confidence and leadership skills in this 3-week summer program! Each week focuses on a different element of the LAS mission of "developing innovative, compassionate, and responsible citizens of the world."

NIGHTS & SPECIAL EVENTS

No matter which summer program you choose (LAS SUMMER or LAS SUMMER EDGE), all students participate in our evening socials—including our dorm nights and campus-wide events! All students also have the opportunity to participate in excursions throughout their LAS Summer or LAS Summer Edge adventure!

SUMMER AFTERNOON ACTIVITIES

Afternoon activities add extra variety to students' daily schedules. Every day following morning programs and afternoon clubs, students can participate in many activities and sports. Options may include (but are not limited to!) arts & crafts, biking, hiking & climbing, dance, team sports, horseback riding, games, music, and more!

THEMED AFTERNOONS & EXCURSION

LAS summer weekends are for exploration, travel, and adventure. Switzerland is a stunning and culturally rich country, and students can explore a variety of destinations in this beautiful country!

Make this a summer that your child will remember
for a lifetime!
