Welcome to ICE

Established in 1992, the Irish College of English is an award-winning language school. Our carefully created Junior Courses and expert English language tuition provide our students with unique and rewarding experiences. We focus on loving the language by living it.

We pride ourselves on our high level of customer service and excellent client relationships. A positive student experience is at the forefront of our school ethos and this is reflected in our reviews and awards.

28 Years of Experience

With 28 years of experience in providing English language camps for juniors, we know teenagers, we know how to motivate them and provide unforgettable summer experiences.

Recognition & Reputation

We are recognised by ACELS, a service of Quality and Qualifications Ireland, for English Language Education. We have also been locally and internationally recognised for the quality experiences we offer and continue to receive excellent parent and student feedback.

We are delighted to be voted '**Best Language School in Ireland 2019**' by students based on Google and Facebook ratings. Uniquely this Education Stars Award is based on student ratings only. We were also shortlisted for '**Best Language School**' in The Irish Education Awards 2020. In addition, we were the First language School in Ireland to be ever shortlisted for the Study Travel Magazine Star Awards - **Junior Course Under 18's Global Industry Award** in 2015 and were again shortlisted in 2016, 2017 and 2019. We were also shortlisted for **English Language School Europe** in 2017 and 2019.

We have also been honoured by Malahide Chamber of Commerce in 2014 with the '**Service Excellence Award**' for a clear demonstration of excellent and consistent customer service and in 2016 we were honoured with the '**Organisation of the Year**' award.

Why Parents Trust ICE

We believe in focusing on teenagers and developing their language skills in a safe, well run environment. We keep in communication with parents and ensure students are met at Dublin Airport by a friendly face to start their journey of a thousand welcomes in Ireland.

Exceptional Junior Experiences...

WHY ICE

"ICE has been wonderful. My students have quoted it as their best experience, having travelled to the UK before. Needless to say I highly recommend this school and will happily send more students back."

BUILD ENGLISH FLUENCY

English Classes

The Irish College of English is recognised by ACELS, a service of Quality and Qualifications Ireland, for English Language Teaching. Progression is our focus and we aim to develop a natural interest and love of the language in our students. As part of our academic policy, students are evaluated on registration and placed at the correct level. On completion of their course, students receive a **progress report** from their teacher and a **certificate of attainment**.

Lessons are held every morning, from Monday to Friday and each course is supported by its own carefully planned syllabus and course book. Lessons focus on developing the core language skills, with specific emphasis given to speaking and listening. We use **highly interactive exercises** and **task based projects** to refine and amplify our students' **communication skills**.

As part of our continuous efforts to maintain high quality classes and to enhance our students' experience, we have introduced the **Intercultural Irish Teenage Programme**. Each week Irish teenagers join lessons to lead an exercise alongside our teachers giving our students the opportunity to connect with young Irish people. We have had an incredibly positive response to this programme.

**"LEARN, LOVE, LIVE
THE LANGUAGE"**

"I like the teaching method here. We can share our opinion and practice our speaking skill. I really enjoy my lesson and the project!"
