An integrated learning experience

A perfectly balanced programme

Our students become immersed in Spanish language and culture, learn how people use the language in real life, how they speak to each other in the street and how they socialise. Students develop skills that they can immediately use outside the classroom.

International and friendly atmosphere

Our students come from an ever-expanding number of countries all with the aim of learning or improving their understanding of Spanish and our way of life. In the school you'll find an international and friendly atmosphere perfect to use your new language skills to make new friends.

360° Spanish

After class our social and cultural programme offers a wide range of activities to allow you to relax, speak Spanish, and discover the true meaning of living the Spanish way. Our immersive programme thrusts students into a fun and enjoyable environment of 360° Spanish through well designed classes and activities working symbiotically.

Quality assurance

We are proud to be part of International House World Organization (Ih), which has over 60 years experience in improving quality in language teaching. We are also accredited by Instituto Cervantes, who ensures only the highest quality of organisations represent them in the teaching of Spanish, and IALC – International Association of Language Centres.

The School

Located in a historical palace with over 2,000m² of space to enjoy while learning in a relaxed environment

Our beautiful school is located in the historical Palacio de los Fernández de Córdoba building deep in the heart of Valencia's Old Town. We have carefully renovated the stunning 153-year-old property to our own vision of a 21st century language school that compliments history with modernism.

The school is placed just where the 11th century Arab walls were standing and still a big part of them have remained inside the building penetrating through the school and getting inside the classrooms, creating an atmosphere of history and mystery.

A modern school steeped in rich history

If studying in a stunning location rich in history isn't enough, students can also enjoy exclusive use of our student café during breaks, relax on your choice of two patios or catch some rays on our breath-taking roof garden complete with sun loungers, fruit trees and showers to cool off in.

Our school is also the perfect launch pad to learn how to cook Spanish cuisine, as our cookery activities take place in a purpose-built kitchen classroom and BBQ area within the school.

Your journey

A tangled web of narrow streets, alleys and plazas packed with terraces, El Carmen has become Valencia's most famous and fascinating neighbourhood.

Deep in Valencia Old Town you'll discover El Carmen

Founded by the Romans in 138 BC, Valencia is one of the oldest cities in Spain and has been home to many civilizations that have left their footprints in the city. The history of the city of Valencia is typified in the story of three walls; the Roman, the Muslim and the Christian.

During the Muslim period (S VIII- S XIII) the city enjoyed a time of growth and splendour. In AD 1020 a wall of cutting-edge design and precision was built to protect the inhabitants and, on this wall, quite literally, our school sits. The Muslim-era wall had seven doors and the most westerly of which, Bab al-Hanax (the door of the snake), included a 14-metre-high tower that still stands within our school, cutting through classrooms and overlooking the building.

After control of the city was returned to Christians the Moorish Muslims were allowed to live outside of the walls next to the Bab al-Hanax entrance in an area that was called La Moreria and is now incorporated into the Old Town. The city remained within the walls until midway through the 13th century when the port began to help development of the areas between the Old Town and the beach.

The vibrant, multicultural Valencia we know today owes a lot to its roots in the Old Town and you will be adding to the history of so many who have walked our streets and enjoyed all Valencia has to offer. Over 1,000 years of history welcomes you.

Españolé is situated on one of the main streets that runs through the district of El Carmen. Calle Caballeros, which is a hotbed of activity during the day and transforms at sunset into one of the main streets for nightlife in Valencia.

The school is surrounded by history and culture and you don't have to look far to discover world famous sights such as Plaza de la Virgen which houses one of Valencia's most emblematic buildings – La Catedral de Santa Maria, where the original Holy Grail is said to live.

With a plethora of great restaurants, cool shops, dazzling street art, superb museums and an eclectic mix of people, El Carmen offers something new and exciting every day for tourists and locals alike.

Great importance is placed on practising grammar in communicative contexts that reproduce situations you might come across everyday.

Expert language tuition

All our teachers are highly qualified and experienced in teaching Spanish to speakers of other languages.

Inspirational lessons

Communicative, motivational, interactive and enjoyable classes that will teach you how to use Spanish in real life situations.

Years of experience

We have built an extensive knowledge base from years of teaching Spanish as a foreign language to know how to break through learning barriers and help our students surpass their goals.

Spanish courses

The objective of our courses is to help you express yourself more fluently in Spanish

Your Spanish class

All classes are given in Spanish. In general the number of students per class is between 6 and 10 and each lesson lasts for 50 minutes. Since the groups are small in number, the teacher is able to deal with the specific needs of each student on a more personal basis.

The classes are based on tasks and planned depending on the students' needs and styles of learning. You will use a textbook in class, together with supplemental material such as newspaper/press articles, adverts, audio-visual materials, etc. The textbooks we use have been developed by the International House academic team and cover all areas of the language.

The enrolment fee includes the first book and additional material. When you change from one level to another, you can buy a new book.

A cultural approach

The programme also aims to integrate students into local culture. Visits to cultural centres, museums, other towns, etc are arranged to ensure that all students are fully immersed into Spanish life.

The continued on-going development and training of teachers is a key feature of International House schools and our teachers stay up-to-date by incorporating new techniques and materials into their lessons whenever appropriate.

In addition to teaching Spanish in class, they will offer general support during your stay at the school so that you find learning Spanish a pleasant and hassle free experience.

Levels

The courses are divided up into 6 different levels: from beginner to advanced based on the Cervantes Institute programme under the directives of the Common European Framework of Reference for Languages. No matter what your level of Spanish, we will always find a class that is perfect for you.

A1 - Beginners

Students can deal with simple straightforward exchange to keep a very basic conversation going.

A2 - Pre-Intermediate

Students can understand and express information about the present, past and future. They can deal with most situations involved in travelling around a Spanish speaking country, including communicating most personal and everyday information.

B1 - Intermediate

Students can comfortably interact with native speakers. They can participate in discussions and express their viewpoints in familiar contexts. They can describe experiences in their past as well as explain and give reasons for their plans, desires and ambitions for the future.

B2 - Upper-intermediate

Students can express their ideas on general topics clearly in both the spoken and written form. They are familiar with and can competently use more complex structures and have a good level of fluency and broader vocabulary including some idiomatic expressions.

C1 - Advanced

Students are capable of understanding most lectures, discussions and debates. They are able to develop a well-structured argument with supporting evidence and explanations in oral and written form. Students have broadened their general language capability and vocabulary to feel comfortable operating effectively in social, academic and professional spheres.

C2 - Superior

Students have a high level of written and spoken Spanish. They can participate easily in discussions and write well-structured compositions even in complex, unfamiliar situations. They can give clear presentations on complex issues, integrating sub themes and developing particular points.

Our students

Our students come from all over the world and have many different reasons for studying Spanish. Some of them are university students, others are professionals who need Spanish for work. Some learn just for fun, while others come to prepare for the official DELE exam.

In general our students fall between the ages of 18 and 60, but we also cater for students of other ages. This mix assures an interesting and international study atmosphere.

Every weekday we have activities, which include cultural visits, sports competitions, barbecues, dancing lessons, beach afternoons or shopping.

On Saturdays we offer full-day excursions to a variety of great destinations and on Sundays the students are free to spend the day with their hosts or they can meet friends and join the school activity in the evening.

Experienced teachers and co-ordinators take care of our students and accompany them during all the cultural activities, visits and excursions included in the programme.

Spanish lessons

This programme is very flexible, you decide the dates, how long you would like to stay, and the number of lessons per week - 15, 20, 25 or 30.

Usually, the Spanish lessons are in the mornings, while the afternoons and evenings are free for activities, visits, or private study.

At the beginning of the course, the teacher will assess your level of Spanish and requirements and will work with you to design a personalised study program. This way you can be sure that it meets exactly your learning objectives. The plan is flexible and can be modified as the course advances

At the end of the course, you'll have a new assessment to record progress. We will give you a complete report with your final achievement and recommendations for future study, together with your certificate.

If a member of your family or a friend would like to take the course with you, we also offer the possibility. If you have the same level, you can have the lessons together (one to two). It is also possible that the accompanying person doesn't take lessons but stays with you in the family and enjoys the activities too.

Social programme

The social programme is adapted to your needs and wishes so whatever your interests are, you can fully enjoy your stay.

On the first day, the teacher will give you an orientation tour so that you get familiar with the city.

Two afternoons/evenings per week your teacher will also accompany you on a cultural visit, to a museum, exhibitions, to practice sports, to the cinema, theatre, walking.... always depending on your preferences.

The rest of the days and on the weekend, you can join the activity programme of the school and meet other international students who are also learning Spanish with us.

Your accommodation

Staying with a Spanish family is a great cultural experience as you interact daily with local people (the teacher, the teacher's family, friends and neighbours). You'll have the opportunity to participate in their daily life, learn their customs and even cook Spanish typical food.

Our teacher's homes are of good standard. You will have full board, your own study bedroom and will share bathroom facilities with the family. You can also request a private bathroom.

There is WIFI at your teacher's home and laundry facilities will also be available for you to use.

Accommodation

In order to feel comfortable and relaxed during your stay it is essential that you are satisfied with your accommodation arrangements.

For this reason we attach significant importance to ensuring that the quality we provide is of a good standard. We select our host families with the utmost care, ensure that our shared apartments, studios and residences are maintained in a good condition and provide general support for students with matters regarding their accommodation.

The accommodation is available between 2:00 p.m. on the Sunday prior to the first day of the course (Monday) until 12:00 p.m. on the Saturday following the last day of class (Friday).

Extra nights might be available at the published prices.

Shared apartments

This type of accommodation gives you the chance to live with students from other countries.

Each apartment has three or four bedrooms and one or two shared bathrooms. All apartments have a fully-equipped kitchen, a lounge with TV, a washing machine and an iron. The common areas are cleaned every two weeks, but otherwise it is the students' duty to keep the apartment clean. The apartments are located around 25 minutes away from the school by public transport.

Host family

Living with a Spanish family is the best way to become familiar with the Spanish lifestyle, get to know Spanish customs and practise the language.

Most of the families live near the school and the average distance from the school is 25 minutes by public transport. Students are lodged in single or double rooms and can choose from three types of board (breakfast, half board or full board). Weekly laundry and cleaning is included. You will have your own keys to come and go as you wish, but you must respect some basic rules and schedules, especially for mealtimes.

They are either for single or double use. Join our team and our international students to continue enjoying Valencia after lessons!

It is the ideal complement to a Spanish course and gives you the chance to practise Spanish in everyday situations, find out what Spain and the culture are like, and get to know the local people. Valencia also offers many opportunities to practise your favourite sports. Near the school there are sports facilities where you can play tennis, basketball, football, squash, aerobics, fitness training, or step classes.

Hola, my name is Lidia and I'm in charge of organizing activities and excursions for our students.

My job is to make sure you enjoy your stay with us, discover Valencia and its culture and traditions, while you meet other students from the school and make local friends. We will have a lot of fun together in our dancing lessons, cooking workshops, excursions, tours, conversation exchange nights... and much more!

See you soon...

Lidia

A day in the life of Arianna from Italy

Our student tells you how is one day studying with us

08:45 Bus to school

My student apartment is only a few stops away from the school so sometimes I walk or use the Valenbisi bike system but today I decided to take the bus as it's really convenient, cheap and stops so close to the school!

19:00 Afternoon activity

I was really surprised to see such a full activity schedule all included in the price. Before arriving I didn't think I would do so many activities but now I'm here I've been on almost all of them including weekend trips to other cities.

09:10 Spanish classes

Going to class is a pleasure as I get to see my new friends and the teacher knows how to make learning fun. My classmates are from all over the globe and our teacher, Juan, has actually travelled to most of our countries!

21:00 Life at my new home

I live with a Japanese girl and a boy from Denmark and we are all so happy and comfortable together. The apartment has plenty of space and we have everything we need in the area. We like to go to dinner three times a week but we also take turns cooking food from our countries for each other. It's a fun way of learning names in Spanish for foods and ways of cooking!

14:00 Lunch

Lunchtime is the perfect opportunity for us to practice much of what we learn in the classroom. There seems to be an endless amount of options in El Carmen and I found all the waiters to be so nice and friendly. I love the food too so am always looking forward to lunch!

22:00 Valencia nightlife

I think I could live here for years and still discover funky little bars, casual looking restaurants that serve amazing food and there seems to be a local neighbourhood fiesta every day somewhere! My Japanese housemate loves flamenco and live music so she is always finding new places for us to go. There just aren't enough nights in the week!

16:30 Homework

This time last week I had classes in the afternoon, which meant I would do my homework while enjoying coffee and breakfast on a terrace. Now I have morning classes I enjoy doing it with my merienda instead! The homework is carefully planned by the teachers and everything flows nicely so you actually want to do it and be ready for class the next day.

First day of class

How to get to the school

m By metro:
Estació de Túria, Colón,
Alameda, Xàtiva, Àngel Guimerà

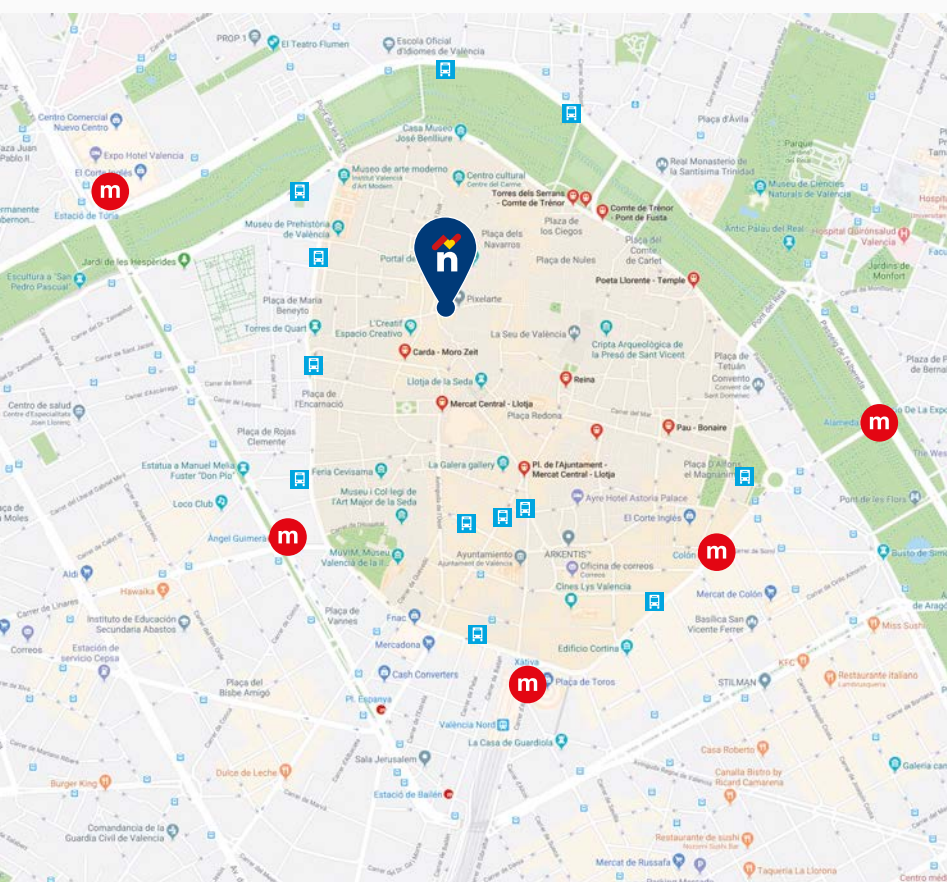

By bus: One of the many
bus stops around the old
town area.

Your first day of class with us starts a little earlier than usual at 08:30am so we can give an oral test and start classing you.

A pre-arrival test will be completed online a maximum of one week before coming and those who have not completed the pre-arrival test will complete on Monday.

After testing we will have an orientation meeting where students can meet each other, our staff and receive useful info about Españolé and Valencia itself. Once testing and orientation has finished you will receive your book, learning schedule and classes will start there and then!

In the afternoon we arrange a guided tour of the city for all new students. We highly recommend joining as it will not only familiarise yourself with your new temporary home but you will have opportunities to practice what you learnt in the classroom that day and get to know your classmates better.

Can you imagine a better place to learn Spanish?

Valencia

Valencia is a vibrant, cosmopolitan city with about 800,000 inhabitants enjoying its majestic buildings and wonderful scenery

What to do?

Enjoy a plethora of parks and gardens

Valencia is not only a city of culture but also a city with beautiful parks, gardens and relaxing recreational areas. The old riverbed has been converted into a 9 km park that snakes through the city and is perfect for all kinds of activities such as cycling, jogging and skating. There are also many relaxation spots along the park and dotted throughout the city so no matter where you are you'll find something close by.

Enjoy Valencia gastronomy and nightlife

The city has a seemingly never-ending supply of bars serving high quality tapas and pintxos. There are, of course, many restaurants serving classic Valencian cuisine such as the famous paella but you'll soon discover real locals prefer Fideuà, which is a must-try also! Valencia is famous for its nightlife and there are many lively areas and places to go to suit all tastes and styles.

Where history meets modernism

A truly stunning Mediterranean city, Valencia enjoys a mild temperate climate and offers a wealth of gastronomic delights, festivals and cultural events to enjoy. You will see how important historical traditions and recent innovative architecture stand side by side and complement each other, the city and the people perfectly. In the last two decades Valencia has undergone an amazing transformation that needs to be seen to be believed.

1.- The Lonja: one of the best examples of Gothic civil architecture in Europe. It enjoys Patrimony of the Humanity (UNESCO).

2.- The Central Market: one of the many places not to be missed. This colourful, bustling lively market, in a beautiful modernist building, will entice you to buy far more than you intended to.

3.- The Cathedral: each of its three gates has a different style: Baroque, Gothic and Romanesque. From its bell tower, El Miguelete, you can enjoy amazing views over the city.

4.- Plaza de la Virgen: which sits on the site that was once the Roman forum.

5.- Torres de Serranos: considered to be the largest Gothic city gateway in all of Europe.

6.- The Fine Arts Museum San Pio V: one of the most outstanding painting archives in Spain.

7.- The National Ceramics Museum Gonzalez Marti: housed in a palace from the 15th century and refurbished in 1740 in rococo.

8.-The City of Arts and Sciences: this amazing complex includes five buildings which are breathtaking at first sight. They are simply incredible.

9.- Jardín del Turia: The former river has now been transformed into a park, where locals walk, run, sunbathe and cycle.

10.- Valencia Bioparc: The animals live in a natural habitat in this 21st-century version of a zoo. Explore the ecosystems of the savannah, the forests of Madagascar

and equatorial Africa, while getting up close to silverback gorillas, leopards, lions, rhinos, hippos and some very cute meerkats.

11.- El Mestalla: Valencia CF, or Los Che as they're known locally, are a giant of the European game. La Liga winners twice at the start of the 2000's and enjoying a recent resurgence they're known for their entertaining style of play.

12.- Tapeo: Translated as walking around different bars enjoying their drinks and tapas – and we recommend doing just that!

A beach for most of the year

It's not uncommon for us to have temperatures in the 20's during January and while that may not be sunbathing weather it doesn't mean you can enjoy a stroll on the beach! Wide-open beaches filled with golden sand are lined with palm trees, bars and restaurants that are frequented by locals and tourists alike 12 months of the year.

Live traditions and festivals

The most popular festival in Valencia, Las Fallas, takes place in March and for five days fireworks can be seen and heard all over the city. The sound of band music and the impressive mascletàs turn the city into a place to behold: a complete transformation that precedes spring every year.

Enjoy the city events

Valencia is known all over the world for its international events: the final round of the Moto GP, the open tennis tournament and much more. For each of these events the city opens its arms and hearts to the thousands of tourists who arrive to be entertained each year.

And all this, together with more than 300 days of sunshine per year and people who are open-minded and friendly, make Valencia the ideal place in which to spend a memorable study holiday.

Your arrival

If you have booked your accommodation with us, we will send you the complete details and information on how to get to your accommodation at least two weeks before your arrival.

Transfer Service

We can arrange your transfer on arrival at Valencia airport, train or bus station and also your departure. To guarantee the transfer we need to know your arrival details (date, time, place, and flight number) at least one week before arrival.

How to get to Valencia

By plane ✈️

Valencia has an international airport located about 8 km from the city. Flights from the main cities of Spain and Europe land here. Moreover, Valencia has connecting flights with Madrid and Barcelona for destinations all over the world. The airport is easily reached by bus and metro from the city centre.

By bus 🚌

The central bus station is located in the West zone of the city. It has lines connecting the main Spanish and European cities. From the central station, the best way to access other points in the city is by bus or underground.
