# Bede's Ethos

## Our Vision

Where every child finds joy in their pursuit of brilliance.

## Our Mission

We continue to craft a more joyful education.

- Cultivating a vibrant learning experience, motivating us to pursue our individual best.
- Providing a festival of opportunity, enabling us to discover new passions and develop new talents.
- Building a kind-hearted community, inspiring us to enhance the lives of others.

## Our Contribution

Bede's Summer School is committed to meaningful actions as part of these beliefs. We recognise the threats and challenges facing people and the planet. In 2023, we are delighted to announce for another year to our students and their families that Bede's will offset the entire carbon footprint of every student's summer programme. This means that all flights, meals, trips and transfers are delivered with a negative footprint.

To aid the integration of Ukrainian Refugees into UK society and communities, Bede's awarded course places to Ukrainian children staying with local families across Sussex worth close to £50,000. Here are some of the testimonials.

# Our Values

## BE COMPASSIONATE

Because a caring community fosters belonging. We expect our community to show kindness to people of all ages, genders and ethnicities, maintaining campuses where every person feels joyful and energised.

## BE COURAGEOUS

Because fortune favours the brave. We challenge our community to stand up for what is right, providing them with a safe environment where they can take bold action in pursuit of brilliance.

## BE CURIOUS

Because wisdom can be found off the beaten track. We encourage our community to discover unlikely passions and hidden niches, releasing them into a wealth of opportunities inside and outside the classroom.

## BE CONSCIENTIOUS

Because dedication is a spearhead of success. We ask our community to throw themselves wholeheartedly into every endeavour, taking responsibility for their journey and inspiring others to do the same.

---

Bede's Summer School has the privilege of being part of the St Bede's Sussex Trust, a charitable organisation that puts education, community and sustainability above all else. It is our belief that we should be conscientious and compassionate in all that we do and this is reflected in our provision of Summer School and shared values across all aspects of the Trust.

Bede's Summer School is committed to meaningful actions as part of these beliefs. We recognise the threats and challenges facing people and the planet. In response to this, Bede's Summer School has been offsetting the entire carbon footprint of every student's summer programme, including all flights, meals, trips and transfers through a variety of projects. Please visit Bede's [website](#) for more information on carbon offsetting initiatives.

# Staff at Bede's

We recognise the key role that staff play in making the student experience at Bede's Summer School special and memorable. That's why Bede's carefully selects its staff to ensure they are professional, friendly, enthusiastic and fully committed to making sure that each and every student is having fun while learning and socialising within a safe and nurturing environment.

Bede's Summer School hosts a one week induction and training event ahead of the summer operating period to ensure that there is no gap between student expectation and delivery. Frontline Teachers, Activity Leaders and House Parents all receive two days of face-to-face induction, including safeguarding and role-specific training, to make sure they are fully equipped for their duties.

Returning staff members have been key in helping Bede's deliver high-calibre summer courses. In previous years, staff that had worked for Bede's Summer School before comprised around 60% of the total number employed. This greatly aids the quality of the student adventure and has facilitated our continued improvement from one year to the next.

# Safeguarding, Student Care & Nurse

**Safeguarding and welfare of our students is the number one priority across St Bede's Trust Sussex. We are led by Annabel Hodge, Director of Safeguarding and Designated Safeguarding Lead, who oversees all training of Summer School Head Office, Centre Management and Frontline Staff to ensure that everyone is aware of their role and responsibility in keeping our students safe.**

Bede's Summer School employs residential staff to ensure that the pastoral and welfare needs of each individual student are covered 24-hours a day. Our staff ratio features on the summaries section of each Centre page. In our most junior centre we have a 1:3 staff to student ratio and this does not exceed 1:5 across the portfolio. At our boarding school campuses, Bede's Summer School has House Parents on hand to ensure that students feel happy and supported throughout their entire stay.

Each of our Summer Schools has a dedicated Welfare Manager that works closely with the Director of Safeguarding, Bede's Summer School Head Office and the Trust's Lead Nurse, Vanessa Tourle, to deliver exceptional student care and to be proactive as well as reactive to any issues relating to student well-being. Each Bede's Summer School will have drop-in sessions several times a week with a qualified Registered Nurse that can see to any student medical needs or requirements for those on-site.

# Academic Programme

At Bede's Summer School we deliver excellence in student academic programmes. Students can learn and develop their love of English through stimulating lessons taught by qualified, enthusiastic and committed teachers.

Each of our centres and courses has a closely defined age range that facilitates the design and delivery of a relevant, challenging and constructive syllabus in line with the Bede's mission, where students can enjoy multicultural classes with a 20% language cap on student enrolments to ensure a diverse international student community.

## LESSONS

Each course has a different academic curriculum tailored to the age range of the centre. The number of hours of English tuition will also vary depending on the course. Please visit the relevant course pages in the prospectus to find out the precise details of the offering.

# On-site Activities

At Bede's Summer School, we believe that students learn just as much outside of the classroom as they do inside of it. Our on-site activity programme is key to this. Students will enjoy a wide range of engaging activities that make the most of the high-quality facilities available at all Bede's Summer School sites.

Bede's Summer School understands that all students have different interests and our programmes are designed to have something for everyone that works to the social and cultural benefit of our students combining sports, arts and crafts and challenging competitions.

Each of our boarding school summer centres has an on-site indoor swimming pool, sports hall and fields, as well as multipurpose indoor spaces for showcases and workshops to host the wide array of activities that students will enjoy. Our superb sites allow us to offer varied and exciting activities and evening events in first class surroundings.

Students with a particular interest in a sporting, creative or academic area, can add an Academy onto their course to receive professional coaching or instruction to supplement their study at Bede's Summer School.

# Excursions

Excursions are an integral part of the Bede's Summer School programme and no two weeks are ever the same! We offer students a complimentary mix of visits to places of cultural and historical interest, as well as chances for sightseeing, shopping and amusement.

Bede's Summer School has carefully-defined age ranges in our courses and this means that the excursions across the summer are tailored to the interests of students and are age-appropriate. There are excursions on Wednesdays, Saturdays and Sundays from all of our centres and students in Brighton and Royal Holloway will enjoy additional trips to London and Brighton in the week to make the most of the close vicinity to those multi-cultural cities.

Wednesday trips are a half-day afternoon/evening visit and involve visiting a local place of interest in a nearby town or an off-site activity, making the most of the wonderful local and natural attractions across the South East of England.

Saturday excursions are a full-day trip and include a cultural, touristic or recreational visit to London or another place of interest. A sightseeing option in London is offered every week to ensure that students get the chance to experience the capital's most famous landmarks.

Sunday excursions are often more relaxing trips to a local Sussex seaside town such as Eastbourne, Brighton or Hastings. Students can walk along the beach, have lunch in the park or do some shopping whilst enjoying the sights and attractions on offer.

# Bede's Prep and Senior

Bede's offers a year round co-educational boarding experience for pupils from age 10 to 18 at both its Prep School on the coast in Eastbourne, and at its Senior School, a short distance away in Upper Dicker. At both schools, our international pupils benefit from our unique educational philosophy, focused on educating the whole person.

Our Prep School educates children through to 13 years. As the boarding community at Bede's Prep is small, with only 25 children, it provides a gentle and nurturing experience for our junior boarders who join us for short stays of one term or a year, or longer term as preparation for boarding at our Senior School.

The school offers an ambitious academic programme, which includes EAL support, alongside its highly regarded sporting provision. Creativity in the visual and performing arts is also at the heart of the school, and pupils also benefit from a range of trips and visits throughout the year.

From 13 years of age, pupils move on to the Senior School, which has over 300 boarders who live in five boarding houses, many of which have won awards for design innovation. The campus spans 120 acres and includes impressive sports facilities including a gym, pool and water-based astro, as well as multiple pitches.

All pupils at Bede's have their own personal tutor who supports them during their time at the school, ensuring that they settle in well, are happy in their boarding house and thrive academically.

We offer a wide range of academic subjects including GCSE, A levels and BTECS. Pupils commonly join the school at Year 9 or Year 12 but we also have a small number of pupils who join in Year 10. Bede's also offers a Pre-Sixth one year GCSE programme, tailored to the needs of pupils who do not speak English as their first language, which acts as the perfect preparation for Sixth Form study.

Bede's is particularly well regarded for its sporting provision, offering academies in football, hockey, cricket and tennis. International pupils benefit from the high level of coaching which is fully integrated into the school day, allowing them to pursue their academic goals and develop English skills alongside.

Our visual and performing arts are also integral to school life and we attract pupils from across the world for our art programme in particular, which allows pupils to study art, design and technology, photography and ceramics through to A level.

Our boarders enjoy busy weekends with a full programme of social events, trips and activities and are encouraged to take advantage of the cultural and academic enrichment programme offered after school as well.

Bede's is a modern school compared to many British independent schools, and our international students have been a valued part of our community since the school was founded over forty years ago. We continue to highly prize the diversity of our community, and are proud that our alumni community continues to be a truly global one.
